Entrance-examinate Takafumi Tsutsu, who's earnestly in love with his class's cold-blooded lecturer Kazuo Sengou, accidentally learns Sengou's "secret." Sengou, who's seen through by Tsutsu's feelings, offers to be "passion lover" in place of much money. While Tsutsu knows Sengou isn't serious about him, he can't deny his feelings and accepts the offer. But it gradually becomes painful having a boss that seems to be going no where. Then one day, Sengou disappears from Tsutsu's life!

Portraying the shy teacher and pure student's painful love agreement, plus other stories full of charm and cute moments especially for this compilation ♥
